

INFORMATION ON COMMUNITY VOLUNTEERS MSC OPAS

MSC OPAS is launching a call to the community in an effort to build a volunteer service program which will begin in the fall of 2010. We will be enlisting volunteers to assist with many ongoing operations and work along side our already established student program. We would like to hear from any and all in our community who have a strong interest and the time to commit to serving on a volunteer staff for our exciting performing arts program. Those with previous volunteer experience in this field are especially welcome to enlist. We will respond to all who inquire and express a serious desire and commitment to work with us in the following areas: Ushering, Tearing Tickets, Garage Attendants, Crosswalk Attendants, Doorman Greeters, Program Distribution.

Potential volunteers will be asked to submit an application indicating areas of interest, skills & availability. From there, volunteers selected will be invited to attend a training and orientation.

Traits desired for all volunteers of MSC OPAS include:

- Special interest and enthusiasm for the performing arts
- Demonstrates and enforces appropriate concert protocol
- Has a serious willingness to serve all patrons of the Theater complex with care and respect
- Displays a high level of congeniality in greeting and seating concert guests
- Reflects a professional demeanor in the execution of all volunteer responsibilities

For more information contact Shanna Wright at 845-1661 or swright@msc.tamu.edu.

Thank you for your interest!
